Report of Superintendent

To the School Board and Citizens of Jackson:

Pupil membership in the school this year has fluctuated between 23 and 27. The school is very well organized and Miss Lord has displayed administrative as well as teaching ability. The judgment of the school board in combining the two schools has been justified. As long as we can be sure of an experienced and competent teacher and the registration does not appreciably increase the present arrangement can be continued.

High school pupils attending Kennett High school this year are Daniel Dinsmore, Florence Flint, Janet Kelley, Shirley McInnis, Gordon Johnson.

Respectfully submitted,
